4) 4440-1 Chinese 4 H [Jia, Paul B]	Semester Report 1	A
2) 6210-1 3D Design 1 [Vadeboncoeur, Joanne]	Semester Report 1	A

The Term GPA represents the student's current GPA for this reporting period.

If your student has a cumulative GPA on the report card, this number represents a compilation of semester grades during high school.

These are your student's grades for the period 11/8/14 - 12/26/14 of the 1st semester and are a reflection of the progress your student has made so far.

If you have a question about a specific grade, please contact the teacher. Email works best for our staff, and addresses are available through our website at www.chs.fuhisd.org. You may also find SchoolLoop helpful for contacting teachers.

Students needing extra help in their classes can work with a peer tutor through the Student Center for Success (SCS). The SCS is open M-Th from 3-5pm in the CHS library.

Students with 3 or more D's or F's, and a hole in their schedule, may be assigned to a guided study period.
